KOMLA AMEGA | ECONOMIST | RESEARCHER | TUTOR

Email: amega010@gmail.com | LinkedIn: Komla Amega | LinkedIn

PROFILE SUMMARY

I am a Development Economist with expertise in migration and remittances, globalisation, institutions and governance structures, inequality, national youth service, health financing, and public policy. I am also interested in public finance, social mobility, poverty, and education. I have expertise in market research and have contributed to programme and project management, as well as high-level collaborative research, producing outputs for UNDP, GIZ, the ILO, and the Government of Ghana. I also have experience designing, developing, and evaluating engaging learning experiences across modules including Macroeconomics, Microeconomics, Quantitative Methods and Econometrics, Management, Public Economics, International Economics, Development Economics, and Business Economics.
